Message from the Executive Director

Happy New Year! The Fair Oaks Chamber is looking forward to an ambitious and prosperous new year. The Board has placed a priority on community business outreach programs that will offer more opportunity to membership showcasing business. After an evaluation of programs and events, the chamber will focus on affordable sponsorship and advertising opportunities to enhance business visibility.

We look forward to lively mixers and interesting and informative monthly luncheons which provide an optimal networking atmosphere. In the global world we live in today, chambers do understand the need to communicate with the membership electronically and we will be utilizing this important tool in new ways. We also realize the importance of personal referrals to our members. The Fair Oaks Chamber will focus on meeting the communication needs of your business in 2008.

I am happy to be here in Fair Oaks and look forward to meeting the membership in the coming months. Watch for our new programs and ask me how the chamber can provide you enhanced benefits. Remember, your Chamber can work best for you if you get involved. I hope to hear from you soon.

Sharon Broff
